

Lunch Program 2022-2023

The lunch program is optional for all students. To participate in the lunch program, students must be either on the annual plan or the monthly plan. Occasional meals are not an option. Pizza Wednesdays is an option. The menu includes the option of a hot meal entrée; or soup and sandwich; dessert; and one carton of milk with the option to purchase additional milk. Water is also available.

If your child has special food needs, (for example, vegetarian or food allergies), be sure to include this information on the medical form and schedule a meeting with the Director of Food Services.
